

To whom it may concern: I'm a regular listener of Air 1 radio station, which has family values that cannot be found on your regular secular radio stations. this is the only radio station my 15 year old daughter and 8 year old daughter listen to. Please allow Air 1 to continue its service to our community so it can expand and reach other communities to help us get our family values back. Sincerly,Jorge Hernandez

Thank you for your service.
